1 Typist-clerk to the Chairman.

1 Typist clerk for the office

4 Clerks (2 First division & 2 Second Dn.

No. 42/V.D.E.C.
5-5-38

Bangalore, Dated, 23rd May 1938.

Dear Sir,

It is understood that the Vice-Chancellor is not agreeable to the shifting of the telephone from his room. It seems he has no objection to my using it whenever necessary. But as my office is at some distance from the Vice-Chancellor's room it will be a great convenience if you can fit up a link telephone in my room.

I have mentioned this to the Chief Secretary and I am also sending a copy of this letter to him.

Thanks in advance.

Yours sincerely,
Sd- K. Subba Rao.

Sir,

With reference to your letter No.3826/C.B., dated 13th May 1938, requesting that the clerks and typists of the High Court, named

) in the margin whose services the High Court was agreeable to spare for work under the Committee for Enquiry into the Disturbances at Viduraswatha, may be relieved and directed to report themselves for duty to the Secretary to the Committee forthwith, I am directed to state that the said clerks and typists reported themselves for duty in the office of the Viduraswatha Disturbances Enquiry Committee on the afternoon of 14th May 1938. As the High Court re-opened on 6th June 1938, after the recent vacation, and the work in the office is heavy, it is very necessary to immediately appoint substitutes in the places of the clerks and typists on other duty in the office of the Viduraswatham Disturbances Enquiry Committee, especially as the Secretary to the said Committee in his letter of 20th June 1938 informs the High Court that he does not expect to be in a position to send back the High Court Officials for a couple of months more.

2. In the above circumstances, I am to say that the High Court is appointing substitutes in the places of the officials deputed and that it is presumed that the Government will have no objection as the work of the High Court Office requires the entertainment of substitutes.
